## Laminated Glass Warranty

**This warranty applies to the following definition of laminated glass**

Where two or more lites of glass and one or more inter-layers of polyvinyl butyral (PVB) are bonded together under heat and pressure.

No other laminated products are considered under this warranty.

Each unit of laminated safety glass shall be free from delamination for a period of 5 (five) years from the date of manufacture.

This warranty will provide replacement of the defective lite only; fob, Rochester Insulated Glass, subject to the remainder of the applicable warranty period of the original product. This warranty becomes void if the product is damaged due to unsound handling or installation practices. These practices include adequate expansion and contraction of framing and glass edge protection.

The manufacturer reserves the right to field inspect.
